Enrollment Instructions for Subscription Busing for the 2016-17 School Year

The North Caldwell Board of Education has adopted a subscription busing program for the 2016-17 school year. Under this program, children who live more than two miles from their school will continue to be bused without charge, and children who live two miles or less from their school will be required to pay a subsidized cost to receive busing. If you live more than two miles from school and your family is entitled to busing, you have already received a letter from the Board of Education. Please click here for frequently asked questions on the new subscription busing program, which we encourage you to review as you complete the application process.

All families that are interested in purchasing subscription busing for 2016-17 school year must register and pay for your seat on the bus **by June 15, 2016**. The transportation cooperative will need time to properly implement the program once subscription levels are known. This is the final deadline, we cannot provide any extensions.

Please go to http://ncboe.public.buspro.us/subbus and complete your application for subscription busing. As part of the application, you will be asked to select your top two choices for bus stops. You can access your current bus stop assignment by logging into your account on the Genesis Parent Portal.

The cost for busing is $450 per child for the entire school year, with a maximum charge of $1,000 per family. The charge for an a.m. or p.m. only route is $300 per child. One way busing is subject to availability. Checks should be made out to the Sussex County Regional Transportation Cooperative and mailed to:

Sussex County Regional Transportation Cooperative
c/o Janine Byrnes
PO Box 1029
Hopatcong, NJ 07843

All payments must be received by this office no later than June 15, 2016.

For parents that need accommodations for extended care for your children, Tiny Treasures Daycare operates before and after school programs for children

attending North Caldwell schools. Please click here for more information on the Tiny Treasures Program.

If you have questions about the subscription busing program, please contact Janine Byrnes jbyrnes@sussexcoop.org or 973-398-3582.
